February 7th, 2007

If they can't get someone in the sack, at least they'll walk away with one: At tomorrow's **Pocket Change speed-dating event at Bruno Jamais**, where guys have to be rich and the women have to be beautiful, 26-year-old **Pocket Change CEO Jeremy Abelson** is loading up the swag bags as consolation prizes. In the house: two cable networks and two major syndication companies vying to turn it into a show.
