Win Lipstick from David Scott Cosmetics

The newest variation on an old classic, [David Scott Cosmetics](#) introduces Sinnamint. Unlike any lipstick you've tried before, Sinnamint delivers classic long-wearing coverage and high pigment with a refreshing, minty flavor. Sinnamint is enriched with natural grapeseed oil to protect against dehydration, and castor oil and lanolin to soften and soothe the lips. Cinnamon flavors the lipstick with sweetness, while double mint and peppermint provide a cooling effect.
