## BEAUTY CENTRAL

### BEAUTY DARE: AT-HOME PLASTIC SURGERY

Four brave staffers tried out new products promising instant lifting, plumping and thickening results, all without a scalpel. There were many regrets, but you're worth the pain.

**Win**

**Murder: the most disturbing new risk for pregnant women, p. 158**

#### Plugs Are for Sissies

Toppik Hair Building Fibers, \$20, by Jeff: "The process—shake on this powder and spray shellac-type stuff on top—for getting thicker-looking hair wasn't my thing. Mourning hair loss is okay. Clinging to your remaining follicles by doctoring them up with hair-colored powder is as transparent and lame as it sounds. It didn't feel stiff or anything, but God forbid somebody invites you to a pool party."
