

BRUNO JAMAIS RESTAURANT CLUB

24 East 81st Street between Madison and Fifth, NYC

24 April - 14 May

Cognac Wellerlane, Cyrille Margarit and his mother, and Bruno Jamais

I had the extreme pleasure to preview a famed and creative artist Cyrille Margarit's work on Monday evening. Even before the overindulgence of champagne and fabulous h'ordurves, Cyrille Margarit's artwork was something to be talked about. The preview was an absolute hit hosted at the gorgeous Bruno Jamais Restaurant Club. Margarit's artwork was strategically displayed all throughout the venue. Coming from an Art background I found the medium to be extremely creative and challenging to work with, for sure. The artist's unique work showcases digital images projected onto sheets of brushed aluminum. Some of Mr. Margarit's celebrity clients have included Ivana Trump, Russel Simmons, and Bruce Willis, just to name a few. I highly recommend viewing his artwork while on display at Bruno Jamais. The exhibit opens to the public on April 24th and conclude May 14th. It will be open Seven Nights a Week from 6pm-3am. Please see details listed below:
